

Hi,  
My child plays baseball at the Newport Rams baseball club. They have a "Player Sponsor" program. For \$200 you can sponsor {child's name here} and they will display your name at the club, with player photo on Smart TV and it'll be made up onto a big poster with your contact details.

**Player Sponsor Program Season 2020-21**

Hi,  
I play for the Newport Rams baseball club. Can your business sponsor me for \$200? You get your business advertised on Smart TV and a big poster at the club with your contact details. It's a great way to advertise to locals in the area who come to the baseball – we have about 400 people a week at the club every week during the summer season.
